

Welcome to HRH-HHOOT

Partners/Agencies Donation Guidelines for Administrative/Handling Charges

HHOOT's Distribution Center asks that you help us by making a minimum donation for what you receive from HHOOT to help cover our \$4,650 monthly expenses.

We request a \$30.00 donation for each Cart you take. (Donations to HRH-HHOOT are tax deductible)

Rule of thumb - The more you take, the more we hope you donate.

Without your continued support, we would not be here to help your organization or the homeless population we serve with the items we receive from Midwest Foods, CVS, Second Helpings, Teachers Treasures, etc.

One Cart (guidelines/Suggestions):

A cart is one of our regular push carts filled with boxes to the top of the push bar and the ends and sides of the Cart.

- Not to exceed more than ten (10) of our standard-size boxes.
 - Depending on our inventory, there may be a restriction on how many of any single (food or hygiene) item you can have, **marked by a green sign.**
- One Cart can have up to three (3) double trays of sodas (72 cans).
 - No trading or substitutes are allowed for food/hygiene items for sodas.

If your Cart exceeds the above-mentioned guidelines/suggestions, you will be asked to donate more than the \$30.00 minimum.

Pickup Trucks:

Up to 3 carts - \$90.00 per week per visit
9 double trays (216 cans)

Big Vans:

Up to 8 carts - \$240.00 per week per visit
24 double trays (576 cans)

- Sodas:** 1 tray of sodas has two (2) 12 packs (**24 cans**)
- 1 row of sodas has seven (7) double trays (**168 cans**)
 - 10 rows of sodas have 70 double trays (**1,680 cans**), which equals **One Skid**
- Extras:** 1 tray or 24 sodas - an additional donation of \$3.60 (or \$.15 a can)
1 row or 5 boxes - an additional donation of \$15.00 (or \$3.00 a box)

Example of One Cart
(10 boxes & 3 double trays of sodas)
